Respectable colleagues,

We would like to congratulate You to the hundredth anniversary of establishment of Österreichischer Flottenverein.

Long time ago, the „Verein zur Förderung der Österreichischen Schifffahrt“, (then named "Österreichischer Flottenverein") had the same goal as both our Associations have now, to promote maritime projects, to inspire people, and to animate awareness about sea and its value.

Members of Croatian Maritime Guard will be glad to cooperate with Your Association in the spirit of our partnership.

Split, 09. April 2004.

President of The Executive Board
of Croatian Maritime Guard
Doc. dr.sc. Boris Čupin
